The Chief Mason Griffith Foundation Application for Financial Assistance

The Chief Mason Griffith Foundation is a 501(c)(3) non-profit organization that is registered both federally and with the State of Missouri. Our organization has been active since October 2023. This non-profit foundation was developed after Detective Sergeant Mason Griffith was tragically shot and killed in the line of duty on March 12, 2023.

The Chief Mason Griffith Foundation strives to help first responders and their families in times of need. Our motto, "Past, Present, and Future", means we are always looking to follow Chief Mason Griffith's legacy and help former/retired or fallen first responders, as well as current first responders in times of need, and encourage young men and women looking to enter a first responder field.
