STATUE OF LIBERTY

Celebrating Milestones...

This has been a truly remarkable year - it gave us not one, but three important anniversaries. Our company proudly marks 95 years of service - an amazing journey built on family values, lasting relationships, and cherished memories created with generations of employees and guests from around the world. The Statue of Liberty celebrates 140 years, and our nation proudly commemorates the 250th anniversary of the United States. The latter culminated in the meticulously planned *Liberty Lights* show, which saw the Statue of Liberty spectacularly illuminated by lasers and accompanied by live music. To everyone involved - outstanding job! We're so grateful to have been part of it.

This year also brought well-deserved recognition to our Vice President of Retail, Jose Sepulveda, who received the *Impact Award* at *The Gathering*, one of the East Coast's premier souvenir retail conferences. Together with his daughter, Bianca, he also authored *Little Libbie & Torchie Tour the U.S.A.* - a children's book and the latest addition to an exclusive line of gifts he designed featuring adorable portrayals of Lady Liberty and her torch. We're proud of you, Jose!

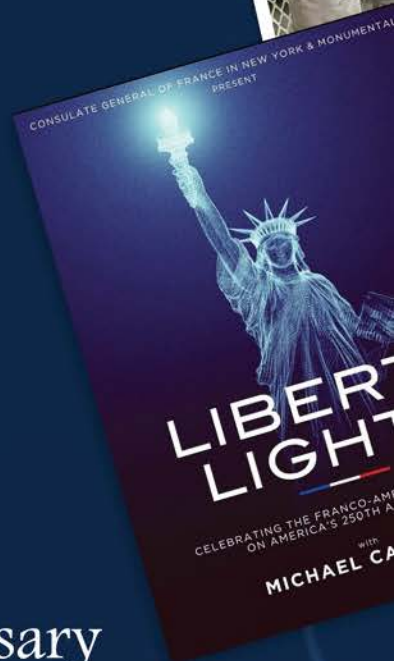

I also would like to mention, that this year Glenn Stoops who portrayed Frédéric Auguste Bartholdi - retired after years of dedication to our company. Good luck on your journey, Glenn!

To our employees - whether you've been with us for decades or joined us this season via cultural exchange programs from around the world - thank you for your hard work, dedication, and for being part of our story. We hope you had a great time filled with lifelong friendships, unforgettable memories, and plenty of opportunities to experience everything New York City has to offer - especially during *FIFA World Cup* season :) Enjoy this yearbook, and we'll see you at the company dinner party!

Celebrating America's 250th Anniversary

For 250 years, the United States has stood as a bold testament to the power of freedom and opportunity. From the signing of the Declaration of Independence in 1776 and writing of the Constitution, through civil war, industrial transformation, world wars, and the ongoing pursuit of civil rights, America has been shaped by the struggles and dreams of generations.

Waves of immigrants arrived seeking opportunity and freedom - their journeys often ending in sight of the Statue of Liberty - a beacon welcoming the tired, the poor, and the hopeful. Today, as we mark 250 years, Lady Liberty still lifts her lamp beside the golden door.

Our company is so proud to celebrate this historic milestone in many meaningful ways. From patriotic décor on our premises to exclusive *America's 250th*

Anniversary merchandise, we've embraced the spirit of this anniversary at every turn.

We were also honored to be part of *Liberty Lights*, a spectacular event that illuminated the Statue of Liberty with synchronized laser projections set to patriotic live music, creating a truly unforgettable tribute to our nation's 250th anniversary.

Special Events department at the Statue of Liberty & Ellis Island

Behind the spectacular events hosted on Liberty Island and Ellis Island is our Special Events team. For those who haven't had the pleasure of meeting them, we'd like to introduce Patti Golden and Tara McGill. Together with Frank Mahodil and many other dedicated coworkers, they make the magic of nightly celebrations at these precious monuments happen.

Over the years, this talented team has helped bring to life events like *Coca-Cola's 125th Anniversary* celebration, the *Annual Ellis Island Medals of Honor* ceremony, performances by Keith Urban, Ed Sheeran, and Diana Ross, as well as the opening of the Statue of Liberty Museum, and, most recently, the *Liberty Lights* show.

“Creating Monumental Events takes dedication, creativity, and teamwork. Behind every event, our team works hard to bring every detail together seamlessly. Some days are long and the pace is fast, but we never lose sight of what makes it all worthwhile — working together, supporting one another, and having fun along the way.”

-Patti Golden & Tara McGill

IN LOVING MEMORY

FOOD SERVICE MANAGER

KEVIN C. LEWIS

— 2025 —

FOOD SERVICE EMPLOYEE

IRIS FEBUS

— 1952 - 2026 —

Kevin worked with us at the Crown Café from September 1990 to 2008, where his friendly smile and welcoming personality made him a favorite among coworkers. He managed food operations and oversaw freight at the Brooklyn Navy Yard with John Conway. He is remembered with great affection and deeply missed.

Iris was a cherished member of our food service team and helped with special events at Ellis Island from 2013 to 2025. Her playful personality brought joy to every shift, and she always found a way to make those around her laugh. With her big heart and vibrant spirit, Iris touched the lives of many and is greatly missed by all who knew her.

We miss you...
