N° 20

# Stepping into the glow...

What a summer it's been! We had the joy of welcoming over 250 people from 36 countries - bringing so many different perspectives, ideas, and good vibes into our space. It's been an amazing few months of connecting, collaborating, and making memories together.

We also want to take a moment to recognize and thank you all for your hard work and support. Your energy, commitment, and heart have helped keep this three-generation company moving forward, even when things haven't been easy. Through every challenge, you've shown up with purpose and perseverance - and it's because of people like you that we continue to grow and thrive.

From after-hours events to quiet coffees and loud laughs, we've shared some amazing moments, and now it's time to celebrate. Company Dinner is just around the corner, and this year we're heading to The Highlight Room in NYC. The theme: "Glow." It's the perfect way to reflect on the energy and growth this season brought, and to toast to what's ahead.

This yearbook captures a bit of that magic. We hope it brings back good memories - and maybe a few inside jokes too.

See you soon,

**Brad Hill**  
President of Evelyn Hill Inc.
