

Banken Financial Enterprise

Now Hiring: Financial Professional (Remote/Hybrid | Entry-Level Welcome)

Are you looking for a meaningful career helping others while building something of your own? We're seeking ambitious, entrepreneurial-minded individuals to join our team as Financial Planning Consultants

Who We Are:

We are a nationwide, mission-driven financial services firm serving individuals and families across the U.S. Our branch office is based in Minnesota, but thanks to our virtual model, you can work from anywhere.

Our mission is “No Family Left Behind” — we provide fee-free financial education and planning to people of all backgrounds. We specialize in insurance-based financial strategies including retirement planning, college savings, 401(k)/IRA rollovers, life insurance, estate planning, and more. As a non-captive broker, we work with over 20 top rated companies like Prudential, Nationwide, Fidelity & Guaranty, Lincoln, and Mutual of Omaha, allowing us to tailor plans based on each client's needs.

The Role:

As a Financial Professional, you'll guide clients through short, mid, and long-term financial goals.

Your job is to listen, educate, and provide strategies that help clients feel secure and empowered about their financial futures.

- ✓ Remote/Hybrid – Work from anywhere with Wi-Fi
- ✓ Flexible Hours – Set your own schedule (ideal for part-time starters or career changers)
- ✓ No Experience Required – Full training, mentorship, and licensing support provided
- ✓ Commission-Only Compensation – Performance-based income with no income ceiling One client may earn you \$2,500, another could bring in \$20,000+; the potential is unlimited.

What Makes Us Different:

No Fees for Clients – We're compensated by the providers we represent

Cutting-Edge Fintech & Tools – Empowering you to work efficiently from anywhere

Mentorship & Support – One-on-one coaching, team collaboration, and weekly Zoom trainings
