## DESCRIPTION.

The welcoming entrance hall features a tiled floor, an open staircase rising to the first floor. Steps lead down into the kitchen, with a door providing access to the stylish ground-floor bathroom.

The newly fitted kitchen is both modern and practical, offering a range of base and eye-level units, generous worktop space, and room for all essential appliances. A standout feature is the open staircase, adding to the cottage's unique charm, while a front-facing window enjoys idyllic views across the neighbouring paddock - often home to horses and goats - creating a wonderful countryside feel. The kitchen opens into the lounge, making the space ideal for everyday living and entertaining.

The cosy lounge is rich in original character, featuring

exposed beams, a painted brick wall, and a feature open fireplace - perfect for relaxing evenings. A front window again takes full advantage of the lovely rural outlook.

Upstairs, the first-floor landing and two well-proportioned bedrooms continue the theme of character and charm, with exposed beams and front-facing windows overlooking open greenery. The main bedroom also benefits from a built-in cupboard for additional storage.

The newly fitted ground-floor bathroom has been thoughtfully updated and includes a bath with shower attachment, wash basin, WC, heated towel rail, and stylish tiled flooring and walls.

Outside, the property offers established flower borders to the front and a driveway to the side. To the rear, a fully enclosed, low-maintenance flagged garden provides a private space for sitting, entertaining, or enjoying the peaceful surroundings, complemented by mature shrubs, borders, and a garden shed.

Located in the sought-after village of Martlesham, the cottage enjoys a tranquil setting while remaining close to local amenities, countryside walks, and excellent transport links - making it an ideal home for those seeking character, comfort, and convenience.

A truly charming and thoughtfully updated cottage that effortlessly combines modern living with original features - and must be viewed to be fully appreciated
