

## CCMT Tuition and Financial Aid

Rosary Cathedral School

### I. Tuition

As partners with our parents and guardians in Catholic education, we want to provide transparency to you regarding the education of your child. Each year, the CCMT Schools invest in each student that far exceeds the charged tuition amount to each family. Moving forward, our tuition amount will reflect the actual amount it costs to educate a student at CCMT based on our annual budget.

The total cost to educate and tuition fee for 2024-2025:

\$8,200.00

### II. Financial Aid

In order to ensure that all students are able to afford a Catholic education, we are committed to providing resources to every family who desires a Catholic education. While a variety of scholarships exist to help cover tuition, some families may be interested in applying for additional financial aid. Financial Aid is determined on an annual basis and families must apply each year in order to be considered.

☐ Check here if you would like to be considered for financial aid at CCMT. In addition to your enrollment materials, some additional financial information may be required to be considered for financial aid opportunities.
