

The new school year is approaching.....
The first day of school is Tuesday, August 20, 2024.

Open House will be on Thursday, August 15 from 3:00pm – 6:00pm. This is the time you can meet the teachers and drop off supplies. Please do not bring supplies on the registration days.

As a reminder, our school day hours have been modified. The cafeteria opens for breakfast at 7:30am. The first bell rings at 8:00am – the main doors will open. The second bell, tardy bell, rings at 8:15am. Students NOT in their classroom by the 8:15am bell are considered tardy.

Registration packets were mailed out the week of July 22, 2024. The information in the packet needs to be read, completed, signed and returned on one of the registration days next week.

If you did **NOT** receive a registration packet, that means we do not have your EdChoice Scholarship renewal and registration fee. **Your student(s) spot has NOT been secured if we did not receive the renewal and registration fee.**

Families **MUST** have the **Gradelink** portion completed before they leave registration. This can be done at home before you arrive, or we will have computers available during registration. It cannot be completed on a cell phone. Failure to complete this step will result in your student not being able to attend school until it is completed.

REMIND has been updated and all families **MUST** enter the new code sent in the packet. As previously stated, this is our first line of communication with families. Please have this updated before you arrive or complete it while you are at registration.
