

REMIND: adding a new 'class'

This is our **FIRST** line of communication with families.

1. Download [the mobile app](#) for iOS and Android devices.
2. Create a new account (or log in if you already have one).
3. Tap **+Join a class** (located under the **Joined** section).
4. Enter the class code, and then click **Join**.

• CLASS CODE: @2535rccs

The class will appear on your **Joined** list, and you'll automatically get app notifications.
