OVERVIEW:

GSEES Service Excellence means reliable mobility through your building. GSEES commitment to Service Excellence assures preventive maintenance programs for your elevators and escalators that will keep your equipment running safely and reliably. With trail blazing technology and highly trained technicians, GSEES Service Excellence means fewer call backs and fewer inconveniences for your tenants or guests. No other service company can offer these integrated benefits.

MAKE IN INDIA INITIATIVE:

"If we have to put in use the education, the capability of the youth, we will have to go for the manufacturing sector and this Hindustan also will have to lend its full strength, but we also invite world powers. Therefore, I want to appeal to all the people the world over, from the ramparts of the Red Fort, come, make in India, come, manufacture in India. Sell in any country of the world but manufacture here. We have got skill, talent, discipline, and determination to do something. We want to give the world a favorable opportunity that comes here, come, make in India..."

Prime Minister Narendra Modi, 15 August, 2014

OUR SERVICES:

Regular maintenance is a must for every elevator, escalator or moving walk to maintain safety and availability. In addition to regular maintenance, GSEES is your reliable partner when it comes to repairs and troubleshooting.
