# Uniform Cost

Uniform Package (Uniform, Bow, & Shoes): \$215

This uniform can be used every single year. We will not change the style anytime soon.

Color of the bow and uniform will match color wise in person.

\*Boys may join! Message Noa and we will get a uniform designed.

## Sponsorship Fundraiser

Just like our USTA tumbling and trampoline team, we will offer a sponsorship fundraiser program. Athletes can accept donations from sponsors (local businesses, family, friends, etc) to help pay for their season. A form will be given out at evaluations and due back to the gym late fall. The gym holds on to and keeps track of all sponsorship funds.

Sponsorship funds can go towards the uniform cost, monthly class fee, clinics, private lessons, choreography camp, etc. Our USTA competition team has had great experiences with this fundraiser. Some have even raised thousands of dollars that cover the majority of

their competition costs. After this fundraiser is closed, we will have a t-shirt order where each child can have all of their sponsor names displayed on the back of the shirt!
