November 2025

We will soon celebrate Thanksgiving, with Advent beginning a few days after on November 30th. We are grateful at Thanksgiving and blessed for all our benefactors who, through their faithful prayers and generous gifts, enable us to continue our ministry of caring for people with intellectual disabilities. In Advent we wait in hope for God who comes to bless us and bring peace and joy to the world.

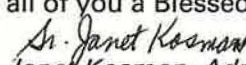

The land for Mt. St. Joseph was acquired in 1935, and we began what this year will be 90 years of loving service in Lake Zurich, IL. We are committed to improving our ministry by meeting the ever-changing needs of our residents. Today, 70% of the residents are over 50 years old; our oldest being 96 and youngest being 25. Over half of the residents require assistive devices for their mobility. This year we are in need many new hospital beds to replace those older ones that can no longer be repaired. In addition, we desperately need to replace the upholstery of the living and dining room chairs.

While making your holiday plans we invite you to peacefully enjoy this seasonal teabag reflecting on all we must be thankful for, and we ask you to prayerfully consider making a difference in the lives of our residents by giving a tax-deductible gift to **"Mt. St. Joseph"** towards these needs.

As we prepare to celebrate the greatest gift, the birth of our Lord, Jesus Christ, you and your loved ones will be remembered in the daily prayers of the Sisters and residents of Mt. St. Joseph, especially in the Christmas Novena of Prayers. We pray that you are blessed with the faith of Mary, the patience of Joseph, the joy of the angels, the awe of the shepherds, the perseverance of the Kings, the simplicity of the animals, the brightness of the star, and the peace of our Lord, Jesus Christ.

Please complete the form below with your intentions and return it in the envelope provided. All intentions received will be presented at Mass on Christmas Day.

We wish all of you a Blessed Thanksgiving!
