Zev Yaroslavsky Supports Jesse Gabriel for State Assembly

“In these challenging times, it’s vital that we send leaders to Sacramento who will restore integrity, honor, and decency to our state legislature. We need thoughtful and compassionate representatives who will fight for the San Fernando Valley. Jesse will be that representative. He and I have worked closely together to make our society more just and our community more livable. **Jesse is my choice for State Assembly.**”

— L.A. County Supervisor Zev Yaroslavsky (Ret.)

“Zev Yaroslavsky’s service to our community and commitment to the Valley are legendary. In the State Assembly, I’ll work to build on Zev’s efforts to enhance public safety, reduce traffic and congestion, and make our neighborhoods more livable. I’m honored to have his support.”
