"Jesse Gabriel fought for us."

Dear Neighbor,

When Donald Trump tried to end the DACA program, Jesse Gabriel sued his administration and fought for Dreamers like me in the Supreme Court.

I have seen firsthand how Jesse is driven by a set of values and sense of purpose that compel him to take action when he sees injustice. It's why he fought for gender pay equity and the Affordable Care Act in the U.S. Senate, and why he has defended the vulnerable as a constitutional rights attorney.

Jesse is principled, ethical, and deeply committed to serving others. He would be a great advocate for the Valley in the State Assembly.

Sincerely,

Luis Cortes
