## Jesse Gabriel's plan for our schools:

Jesse Gabriel attended local public schools, Pierce College, and UC Berkeley, and is a strong supporter of public education. In the State Assembly, Jesse will:

- **Strengthen gun control laws** to keep guns out of schools and our kids safe from gun violence.
- **Improve local schools** by increasing funding for Science, Technology, Engineering, and Math (STEM) programs, as well as for music and art, to ensure that students receive a solid, well-rounded education.
- **Make higher education more affordable** so that local students can attend community college, CSU, and UC schools.
- **Push for more job training and technical education programs** to help workers gain the skills necessary to secure a good paying job.
