Jesse Gabriel will work to lower healthcare costs and expand coverage

Jesse Gabriel is a constitutional rights attorney who has sued the Trump Administration twice, and fought for Holocaust survivors, Dreamers, and victims of domestic abuse.

As a senior advisor in the U.S. Senate, Jesse worked to help pass President Obama's landmark Affordable Care Act. He believes that health care is a human right and that no one should be denied treatment because they cannot afford to pay. In the State Assembly, Jesse Gabriel will:

- Fight to ensure that every Californian has affordable health care coverage.
- Protect access to women's reproductive healthcare and increase funding for Planned Parenthood.
- Work to lower prescription drug prices and combat the opioid epidemic.

That's why Jesse Gabriel is endorsed by local nurses and the Democratic Party of the San Fernando Valley.
