JESSE GABRIEL: COMMITTED TO THE JEWISH COMMUNITY

Jesse Gabriel is a Jewish Federation board member with a long record of standing up for our community. Among other involvements, he has helped Holocaust survivors secure compensation from the German government, worked to strengthen the U.S.-Israel relationship as a senior advisor in the U.S. Senate, and helped to create a program that provides security funding to at-risk Jewish institutions. That is why he is endorsed by dozens of leaders in our community.
