

**The SCARLET BEAST of Revelation 17:3
is the SCARLET BEAST OF ISLAM & PAPACY**

United Arab Emirates (666)- a dragon already in its own right (Monarchy with civil Islamic law) in the federated 7 Emirates=7mountanins= the 7 heads as well as 7 of the 10 horns. The UNITED ARAB EMIRATES(666) is the ‘mirror’ Image of “The Holy Roman Empire”(666).

Plus 3 other Muslim “horns” – one absolutely seems to be The Kingdom of Saudi Arabia (see more below Rev 17:9).

The other 2 Muslim Absolute Monarchies are Brunei and Oman. Is it important that the horns must ALL be Absolute Monarchies? We believe so, however there are other Muslim Monarchies so this is still a consideration for the 2 remaining horns is our understanding.

Remember , the Harlot (who sits on many waters which is her involvement in numerous agencies of the UN see below) is Papacy – the Pope who is also now a King – arrayed in Purple and Scarlet because she is now a real King as of 1929 , officially as sovereign ruler – another Absolute Monarch) sitting on top (ruling)

The Scarlet Beast with its 10 horns, this is key, they are **ALREADY KINGS, yet , they are yet to “receive authority for one hour as kings *with* the beast” Rev 17:12**

THIS BEAST IS “SCARLET” WHICH IS A DIFFERENT COLOR RED -WHY?

It is dyed “scarlet” by Abrahms fleshly Jewish seed - the blood of the seed of the Kermes Oak : The Oak of Abraham which is actually a Kermes Oak. See below for more info and links. See below for more on: [Strongs 2847](#) **Definition:** scarlet **Usage:** crimson, scarlet, dyed with Kermes (coccum), the female coccus of the Kermes oak.- See more about the **significance of the color “scarlet” below**

There are a total of only 12 Absolute Monarchies on Earth in 2024:

10 are Muslim, 1 African Christian (Eswatini) and the last being- The Vatican City State/Pope

The first 7 are the UNITED ARAB EMIRATES (666) -

“The United Arab Emirates is an [elective monarchy](#) formed from a [federation](#) of [seven emirates](#),”

These 7 federated emirates are the 7 heads, as well as 7 of the 10 horns, since they are each Absolute Monarchs in their own individual emirates,. Yet federated they form the SCARLET BEAST.

Remember the Harlot is riding this beast: Most are unaware that the Pope is also an Absolute Monarch.

11. The last Absolute Monarchy (Eswatini) will never become a true Horn.

12. ESWATINI: this is a Christian nation(89% Protestant), we believe it will become overrun and ruled by the UAE kingdom or Scarlet Beast (Republic of Botswana (666)?) in the near future.

REVELATION 17:9

“There are **ALSO* seven kings. Five have fallen, one is , and the other has not yet come. And when he comes, he must continue for a short time” Rev 17:10

**most versions including NKJV include the word “also”- speaking of a different group of 7 kings. :)*

This seems to be speaking of the Kingdom of Saudi Arabia- one of the 10 horns of the Scarlet Beast, which since 1932 has had a total of 7 kings, however at first glance six have “fallen” that is they died. Yet on closer inspection, [King Saud lost his rule in 1964](#) when his reign was officially [abdicated](#) he died in exile in Athens Greece in 1969:

“ However, Saud's inability to counter the Saudi national debt brought him into a power struggle with his half-brother and crown prince, [Faisal](#), culminating in the forced abdication of Saud and the proclamation of Faisal as king. Saud went into exile and made an unsuccessful attempt, supported by some of his sons, to take back the throne. He died in Athens, Greece, in 1969.”

Therefore King Saud did not fulfill his reign as it was made void and he was exiled as we see above. So he is not one of the “five” who have fallen -

Image of Lion & Prominent Jihadists

SHARE VIA: [f](#) [t](#) [e](#)

The lion, which is an important motif in Islamic art and culture, evokes qualities of bravery, strength and valor for Muslim audiences. The motif recurs in the Qur’an, the *hadith* (prophetic traditions) and classical Arabic poetry. For example, Muslim historians have compared the divine voice that was heard in Mecca during the time of the Prophet to that of a lion roaring in the desert, and according to Islamic tradition the phrase “the lion will lie down with the lamb” is used to describe the eschatological peace that will be constituted under a just and worthy ruler on judgment day. In the modern era, the lion has been deployed by Islamist authors such as Sayyid Qutb, and has become a key motif in jihadist propaganda as a symbol of honor for both major jihadi leaders and for low-ranking militants. It may also be used to suggest martyrdom or designate a martyr-to-be. Here, the image shows a large lion’s head surrounded by the photographs of major jihadist leaders associated with the Chechen jihad: In the

top left corner is “Amir Khattab” who fought in various jihadist regions, and was killed in Chechnya; in the bottom left corner is the Chechen leader “Shamil Basayev”; in the bottom right corner is “Abu al-Walid al-Ghamidi” another Saudi leader who fought in various jihadist regions, and was killed in Chechnya; Abdullah Azzam’s photo is in the top right corner.

REV. 17:11

“The Beast that was, and is not, is himself also the eighth, and is OF the 7...” Rev 17:11

Vatican City State makes Pope Francis officially the 8th Pope who is **also technically a King**, that is, **an Absolute Monarch since 1929**. (Of course this would depend upon the question as to how to handle the issue of Pope Benedict XVI resignation in 2013).

The 7 headed beast she is riding, the UAE, the civil Dragon of the False Prophet which is the Scarlet Beast of Islam - so she is “of the 7”, the Pope being the false King of Kings, of ALL 10 horns for an hour, ruling them until they “hate the Harlot” – they will soon deem their relationship to them as worthless and lust for power for Islam as the Great Nation and greed will have these Muslim kings first turn on the Pope, then they will turn on each other since this is a recipe for disaster obviously.

The other possibility is that we consider Vatican City State as one of the 10 horns, and that the 'whore' who sits on top is the Holy See ie the Catholic Church - the Pope is both Bishop of Rome as well as King. It is our opinion that Rev 17:15 appears to accurately describe the incredible amount of influence the ever developing Scarlet Beast members have at the UN, i.e. Pope Francis, the Grand Imam and the President of the UAE command great respect and are sought after by the UN and other NGO's like the WEF.

["Pope, Grand Imam make call for peace at UN Security Council"](#)

["We must strengthen the values of compassion, respect, and HUMAN FRATERNITY" -](#)

"In 2020, the ****UAE, together with Bahrain, Egypt, and Saudi Arabia** tabled a United Nations General Assembly [resolution](#)— adopted by consensus—that proclaimed Feb. 4 as the “International Day of Human Fraternity” and acknowledged that tolerance, pluralistic tradition, mutual respect and the diversity of religions and beliefs promote human fraternity.”

**** NOTE: this resolution was penned by 10 governments: UAE = 7 Kingdoms, Saudi Arabia makes 8, Bahrain is technically a King so 9 yet he is not an Absolute Monarch so it remains to be seen. Egypt**

is no longer a kingdom so while its 10, it does not appear to be a horn? Since all the others are kings, including the Pope. This must mean Egypt will become part of one of the other Kingdoms is our current thought. The Grand Imam heads the [Al-Azhar Al Sharif](#), [al-Azhar Mosque](#), and by extension [al-Azhar University](#), and is responsible for official religious matters along with the [Grand Mufti of Egypt](#).: this is certainly very important.

Infighting, jealousy and chaos will reign within this Islamic beast (they're all "Chiefs" after all!). It will not be able to stand, and anarchy will surely follow once the False King of Kings is destroyed (Papacy - Christendom) the whole system will soon thereafter crash and burn".

[Oak of Mamre: Abraham's Oak Once Attracted Masses to Hebron](#)

An ancient tree once attracted visitors from all over. Now it is one of four holy sites inaccessible to Israelis.

On a hilltop at the edge of H1 Hebron, past the massive factories and industrial sprawl of the PA's largest city, is an ancient tree.

It is called the Eshel Avraham or the Oak of Abraham. Some refer to it as the Oak of Mamre, or Tamarisk Tree of Abraham as described in the Bible.

Today the tree is propped up by metal beams and wooden planks and looks quite dry. Nearby grow offshoots taken from the father tree.

Venerated for generations, this tree still bloomed. Photos of students from the nearby Slobodka yeshiva show them visiting in the 1920. During this period, a nearby Jewish-owned hotel was named Eshel Avraham. Today, this section of Hebron is off limits to Israelis due to the 1997 Hebron Accords, except in rare circumstances.

The Bible refers to the Oak of Mamre when Abraham is visited by the three angels who inform him of his wife Sarah's future pregnancy.

The *alon* is also famously mentioned as a well-known landmark near the important Judahite city of Hebron: *Elonei Mamre*. This was one of the important settlement bases used by Abraham. He also buried Sarah in a cave here, which later became the national mausoleum containing the bodies of: Abraham, Sarah, Isaac, Rebecca, Jacob, Leah.”
