

# Salford Parent Carer Forum

## Quarterly Newsletter

### We have a website!

Our new website went live earlier this month, and although we are continuing to work on sharing information with our membership, you can already find lots of information on who we are and the work we are doing.

Head over to  
[www.salfordpcf.com](http://www.salfordpcf.com)

### Salford SEND Survey Results

In the Autumn, we sent out our Salford SEND Survey. We had an incredible 450 responses from parents who wanted to share their thoughts, views and experiences. We want to say a huge thank you to everyone who took the time to complete this survey. The findings from this survey will help to inform services when planning.

### MEMBERSHIP

To join our membership and hear about any sessions or events first, scan the code and complete the form.

### YOUR FORUM:

We are currently busy planning, not just for the year ahead, but for the future of SalfordPCF. We would love to know what you want from the forum in the future, what's your vision and what would you like to see more of? This is your forum, your chance to have your say and your opportunity to be part of something amazing!

Come and see us on Friday 17th May, 11-1 at Eccles Gateway and talk all things SEND!

### \*\*New Drop-Ins\*\*

If you need information, advice or support, or just want to chat about all things SEND, pop along to one of our new drop-ins.

- = Hayley will be at the Height Library, 10-12 every second Thursday.
- = Gemma is at Irlam leisure Centre once a month starting 20th April.

Check our website and social media pages for any up to date information. We can't wait to see you there.

### FEEDBACK NEEDED: Transitions

We are working closely with Salford Council on transitions and we would love to hear your experiences, the good and the bad. We'd like to know what you think makes a good transition for your children and young people. This could be a move from pre-school to school, primary to secondary, or post 16. It can even be between year groups. Please get in touch at [info@salfordpcf.com](mailto:info@salfordpcf.com) or look our

### FEEDBACK NEEDED: The Local Offer

We are continuing to work alongside the team at the Local Offer Partnership on the content/information that is available on the Local Offer.

Sharing your thoughts or views can help us with us with our planning and make sure the right information is available. Drop us an email at [info@salfordpcf.com](mailto:info@salfordpcf.com)

### Do you fancy joining us a volunteer?

The Forum has been so busy this past 12 months and we are keen to keep this up. We want to do as much work as we can take on but to do that we need volunteers to help us in our plan. We will be putting together some more volunteer sessions in the coming months so if you are interested you can register here:
