

Accessibility Statement for Great Minds Together

At Great Minds Together, we are committed to making our website as accessible as possible for everyone, regardless of ability or technology. We aim to meet the Web Content Accessibility Guidelines (WCAG) 2.2 Level AA to ensure our website is perceivable, operable, understandable, and robust.

Our commitment

We continuously work to improve accessibility by:

- Designing new content and features with accessibility in mind.
- Using accessibility tools and best practices to review our website.
- Encouraging feedback from users to identify and address issues.

Feedback

If you experience any barriers to accessing content on our website, please contact us with your feedback. We aim to respond promptly and provide alternative formats where possible.
