Bonjour! It's April in Paris and we're inviting you to join friends and fans of Minnesota Public Radio and the Minnesota Orchestra for a classical music adventure along France's beautiful Rhone River.

Enjoy three pre-cruise April evenings in Paris as we walk in the footsteps of Picasso, Rodin and Hemingway, and have free time to explore the many museums, bookstores, colorful markets and cafés of Paris. Immerse yourself in a tour of the Opéra Garnier, an experience that will leave you spellbound in the heart of this enchanting city. Then off to Lyon to board our exclusively chartered first-class small ship, the MS van Gogh. We will cruise on the historic Rhône River among picturesque villages, ancient archaeological sites and esteemed wine estates. And back by popular demand... a robust program of classical music curated and performed on board by the renowned and celebrated pianist Jon Kimura Parker, Minnesota Orchestra's beloved Creative Partner and Host for Summer at Orchestra Hall.

This adventure is a perfect composition of breathtaking natural splendor, exceptional music and unforgettable art. Whatever your passion, be it classical music, wine tasting, food, art, or simply pursuing the French "joie de vivre," do join us. We look forward to exploring the treasures of France with you in 2026!

Arc de Triomphe

TOUR THE HISTORIC PARIS PALAIS OPERA GARNIER

Enjoy a special tour of the Palais Opera Garnier! A 19th-century architectural masterpiece, the Palais Garnier Opera House, built by Charles Garnier and opened in 1875, is the 13th opera house in Paris since the introduction of French opera by Louis XIV in 1669. Napoleon III commissioned it as part of the renovation works in the capital carried out under his command by Baron Haussmann.

*Detail of the Palais Garnier ceiling
painted by Marc Chagall*

The ceiling in the main auditorium, painted by Marc Chagall, took a year to successfully complete. This imposing work stands out for its luminous colors and myriad details including winged characters, quintessential Parisian buildings and monuments like the Arc de Triomphe, and musical instruments. The especially keen-eyed may find Chagall himself or André Malraux, who commissioned this monumental fresco.

YOUR HOSTS

Melissa Ousley
Host
YourClassical MPR

Melissa Ousley stumbled into a career in broadcasting many years ago when she moved to Wichita, Kansas, to be near her soon-to-be husband. The attraction to radio work was immediate and the chance to be around great music without having to practice piano was irresistible. After establishing herself as a host and producer in Kansas, Melissa moved to Minnesota and continued her work at WCAL in Northfield and Minnesota Public Radio in St. Paul and hosts live Friday night broadcasts of the Minnesota Orchestra. While she earned a bachelor's degree from Eastman School of Music, she's quick to point out that her decades of work in radio have taught her the most. When she's away from the airwaves, Melissa loves to run, read, and spend time with friends and family. This will be Melissa's third hosted trip.

YOUR CLASSICAL HOME: **MS VAN GOGH**

Completely renovated in 2018, the *MS Van Gogh* has been redesigned and refitted according to the new standards of the company and offers larger, bright and comfortable spaces. In terms of decoration, the colour combination of gray blue and orange creates a lot of style and elegance. In a nod to the artist whose name it takes, the ship showcases some of his famous paintings, including those from the Sunflowers series. The patterns of the fabrics as well as the dressing of the bar follow the techniques developed by Van Gogh: impressionism and pointillism.

The two main common areas are located on the upper deck. At the front, the lounge / bar and at the back, the restaurant where all meals will be served during the cruise. The 20 cabins on the upper deck have French balconies and the 34 cabins on the main deck have windows. On the sun deck, an ideal place to relax and admire the landscapes, passengers can enjoy comfortable sun loungers, as well as a large shaded area.

"The ship was beautiful – very clean with a great captain and crew. The food was excellent. We had plenty of room in our cabin and never felt cramped. Everyone seemed to have a wonderful time.

We would definitely sail on this ship again!"
