Surf Soup: Wanda the Whale and the Lonely Littlest Sister is a touching and beautifully illustrated story that explores the challenges of sibling dynamics, exclusion, and the healing power of imagination. On Surf Soup Island, the Littlest Whale is left out and teased by her older sisters, who swim faster and stick together, leaving her to play alone. But with help from Prana the yoga-loving piranha and Cokie the gossiping coconut, she learns about mindfulness, self-worth, and kindness. This emotionally rich tale helps children understand empathy, the impact of gossip, and the importance of including others—especially in families. Inspired by true events, it's a deeply personal story offering a gentle yet powerful message for all kids navigating relationships, emotions, and growing up.
