Los Angeles, California

Surf Soup® TV Studio is excited to announce **Mom Is WOW Upside Down**, a new children's picture book by Emmy-honored animator and author **Donna Kay Lau**, coming in **2026**. Perfect for ages 5-12, the story follows Koa's mom on Surf Soup Island as she races through chaotic mornings with her robe flapping, mismatched slippers, and hair sticking up like a pineapple—juggling lunchboxes, backpacks, and a comb.

From missing shoes to upside-down cards, Koa and his friends discover that mom is more than just **MOM**—she's **WOW!** Flip the pages upside down to watch **MOM become WOW**, reflecting how moms turn everyday chaos into joy. With playful storytelling, humorous mishaps, and a touch of Surf Soup® magic, the book celebrates moms, grandmas, aunties, and all caregivers

who make life full of laughter, love, and surprise.

The project includes a **brand-new sing-along song**, adding a musical layer to the story for interactive fun. As part of the **Surf Soup® series**, it joins titles like *Surf Soup TV* and *the Instant Ramen Noodles* and *Surf Soup TV Magical Dim Sum Sing-Along*, blending family, culture, food, and music in joyful, educational stories.

**Releasing in time for Mother's Day 2026**, *Mom Is WOW Upside Down* is the perfect gift to celebrate the incredible caregivers in our lives.
