Donna Kay Lau, the television animator and creator behind the Surf Soup® world, has opened pre-orders for her brand-new Surf Soup® TV Collectible Trading Card Series! This beautiful 1st Edition collection turns her fun, eco-friendly book characters into premium, pocket-sized pieces of fine art.

The first collection features 55 unique cards, including the beloved five-star Robot Drone (#40/55). Instead of a complicated gaming ruleset, these cards are made purely for collecting, trading, and storytelling. Every card is printed on high-quality 2.5" x 3.5" card stock and features fun character descriptions and inspiring messages.

To make things even more exciting for fans, Donna has hidden one special, ultra-rare card inside the set: a 6-out-of-5-Stars "Creator Type" Card. This lucky chase card features her character-building "Animator's Ink" special ability and a printed reproduction of Donna's own hand-signed signature!

"As an artist, my goal is to spark imagination and share a love for ocean conservation," says Donna Kay Lau, Creator and Founder of Surf Soup® TV. "I am so happy to launch this First Edition series.
