A magical craving triggers a monstrous transformation in this action-packed eco-adventure! When Koa's morning hunger summons a flashing junk food vending machine named Vendy, instant gratification quickly turns into a massive sugar crash. Even worse, single-use plastic wrappers clog Vendy's gears, transforming him into a literal junk food monster that traps Koa's friends inside a plastic jungle. Driven by compassion, Together, the kids take charge to clear the trash, recycle the plastic, and transform Vendy into a story-dispensing Imagination Station. This vibrant picture book beautifully weaves together essential themes of environmental stewardship, mindfulness, and the power of healthy choices.
