VEHICLE INFORMATION

Customer Name: _____
Company Name: _____
VIN: _____
Unit Number: _____
Current Odometer: _____ KM
Coverage Term: Up To 5 Years / 200,000 KM
Application: Canadian Commercial Fleet Service
Objective: Warranty Compliance, Maximum Reliability
& Fleet Cost Control

PREVENTIVE MAINTENANCE SCHEDULE

SERVICE INTERVAL	MAINTENANCE REQUIRED	ESTIMATED RETAIL SERVICE VALUE (CAD)
 50,000 KM SERVICE	- Engine oil & filter - Replace primary & secondary fuel filters - Chassis lubrication - Brake inspection - Suspension inspection - Steering inspection - Tire rotation & inspection - Battery load test - DEF system inspection	\$900 – \$1,200
 75,000 KM SERVICE	- Engine oil & filter - Chassis lubrication - Full brake inspection - Tire inspection - Driveline U-joint inspection - Wheel bearing inspection	\$600 – \$900
 100,000 KM MAJOR SERVICE	- Engine oil & filter - Fuel filters - Air filter replacement - Crankcase breather replacement - Differential oil replacement - Allison transmission service - Chassis lubrication - Full diagnostic scan - DPF inspection	\$2,500 – \$3,500
 125,000 KM SERVICE	- Engine oil & filter - Chassis lubrication - Brake inspection - Steering inspection - Suspension inspection - Battery testing - Tire inspection	\$600 – \$900
 150,000 KM MAJOR SERVICE	- Engine oil & filter - Fuel filters - DEF filter replacement - Air filter replacement - Air dryer cartridge - Chassis lubrication - DPF evaluation - Cooling system inspection	\$1,500 – \$2,500
 175,000 KM SERVICE	- Engine oil & filter - Chassis lubrication - Brake inspection - Steering inspection - Suspension inspection - Alignment inspection	\$700 – \$1,000
 200,000 KM MAJOR SERVICE	- Engine oil & filter - Fuel filters - Air filter replacement - Differential service - Allison transmission service - Crankcase breather replacement - Cooling system pressure test - DPF assessment	\$2,500 – \$4,000

*Service intervals are based on normal operating conditions.
*Severe-duty applications may require more frequent maintenance.

EXPECTED COMPONENT REPLACEMENT SCHEDULE

COMPONENT	EXPECTED REPLACEMENT	COMPONENT	EXPECTED REPLACEMENT
Drive Tires	1 Set	Fuel Filters	4 Times
Steer Tires	1 Set	Air Filters	4 Times
Front Brake Pads	1 – 2 Times		
Rear Brake Shoes/Pads	1 Time		
Batteries	Once		
Wiper Blades	Annually		
Air Dryer Cartridge	Twice		

5-YEAR MAINTENANCE COST PROJECTION

CATEGORY	ESTIMATED COST (CAD)
Scheduled Maintenance	\$10,000
Brakes	\$3,500
Tires	\$6,000
Batteries	\$500
Alignments	\$1,500
Miscellaneous Repairs	\$3,500

WARRANTY ADMINISTRATION RECORD REQUIREMENTS

Maintain copies of:

- ☒ Oil Change Invoices
- ☒ Fuel Filter Replacement Records
- ☒ Annual Safety Inspection Reports
- ☒ Transmission Service Records
- ☒ Differential Service Records
- ☒ DEF System Repair Records
- ☒ Diagnostic Reports
- ☒ Mileage Records

Failure to maintain proper maintenance records may affect warranty eligibility and claim approval.

MAINTENANCE AREAS OF COVERAGE

ENGINE

Internal lubricated parts, cylinder head, block, timing gear/chain, oil pump, and related components.

TRANSMISSION

Transmission case, internal gears, shafts, bearings, torque converter and related parts.

DIFFERENTIAL

Ring & pinion gears, carrier, bearings, axles and internal lubricated parts.

COOLING SYSTEM

Water pump, thermostat, radiator, fan clutch, hoses and related components.

FUEL SYSTEM

Fuel pump, injectors, fuel lines, and related internal lubricated parts.

ELECTRICAL SYSTEM

Alternator, starter, wiring harnesses, sensors, switches and related components.

TURBOCHARGER

Turbocharger housing, internal parts, wastegate and related components.

AIR CONDITIONING

Compressor, condenser, evaporator, receiver/drier and related components.

STEERING COMPONENTS

Power steering pump, gear box, steering cylinder and related components.

ADDITIONAL COVERED COMPONENTS

Seals & gaskets (where applicable), and other components as listed in the contract.

SERVICE PLAN SUMMARY

 COVERAGE TERM	Up To 5 Years / 200,000 KM
 MAXIMUM AGGREGATE BENEFIT	Up To \$15,000 CAD
 DEDUCTIBLE	\$300 CAD Per Repair Visit
 COVERAGE AREA	Nationwide Across Canada
 REPAIR FACILITIES	Licensed Repair Facilities Accepted

FLEET BENEFITS

- ✓ Helps control unexpected repair expenses
- ✓ Reduces vehicle downtime
- ✓ Improves maintenance budgeting
- ✓ Supports warranty compliance
- ✓ Protects your bottom line
