Question:

I'm working to get this project in our bidding calendar, and noticed the Qualifications Due date and time (Page 2 of Part A) has conflicting information: January 24, 2020 at 5:00PM is listed and 2:00PM is noted. Which is correct please?

Answer:

Thank you for noticing the discrepancy. The Responses are due at 5:00 pm. I will be posting your question and answer on the library's website under Addendum 1.
