Statistics were all up for the month, with the exception of nonfiction check-outs. We reviewed the programs for the month and highlighted a few notable events. The escape room for kids is a new activity as is "Bad Art Night." The Highland programs are still ongoing. Village Stories is another new program, and the first night will focus on the stories of military veterans.

### **Committee Reports:**

Building and landscape maintenance:

Herrell Electric installed new lights outside the lower entrance. They are on an automatic timer that will run from 5:00-10:30 PM. Three more ramp lights are going to be added.

Finance: No report, but the committee plans complete an in depth review of the budget after December to evaluate our spending.

### **Old Business:**

Char Behrens' event planning: We continue to wait on the completion of signage for this project, but the dedication event is planned for December 6<sup>th</sup> at 10:00.

**New Business:**

The library's sign for the historic walking tour is in a pile behind the building, where it was left during construction. Tom will clean it up and reinstall it.

There was a quote from Elite Tint for the windows, but the Friends will be exploring other options.

The Friends will install seasonal decorations for the holidays.

**Meeting adjourned** at 6:23 PM De Swarte/Wilkinson
