NEW Family OPEN Class Details:

This is a new class suggested by an OSSRG racer who wanted to race with family members to earn points together towards a yearend "Family Award" along with the bragging rights that come with it.

Entrants who sign up for this class at each event must have at least one other family member racing with them on that day. This is an open class (*excluding inexperienced youth riders on smaller bikes – inquiries please email Tami@OSSRG.org for clarification*). There is no ability breakdown for this class.

At each round, the top three (3) positions for each "Family Team's" points are added together and recorded. At the end of the series, the "Family Team" with the most points are the Champions.

Our hopes for the future are to get more families involved with this unique type of racing.
