OLD SCHOOL SCRAMBLES

RACING GROUP

2021 TT Scrambles Champions & Runners Up

2021 Series Points Distribution & Series Awards: Points were awarded according to each moto finish, without regard to a rider's overall performance for the day. A rider received points even if he/she were the sole class competitor. To have been eligible for year-end championship awards, riders were required to score points in at least three of the six rounds. For a complete run down of our rules, please visit <https://ossrg.org/rules>.

Awards are given at 33%. That's one for every three racers. Listed below are those who earned awards based off the total # of riders in each class overall at the end of the series and who competed in three or more rounds.
