

BECOME THE SPONSOR FOR A 12-MONTH ART & SUSTAINABILITY STORY

Companies are under growing pressure to demonstrate their sustainability commitments. This partnership brings those commitments to life through a credible, visible story audiences can see, experience, and engage with.

THE STORY

Artist Sayaka Ganz transforms reclaimed materials into beautiful sculptures and installations that appear to move.

THE OPPORTUNITY

You can become the sponsor of Sayaka's yearlong story as her creative process progresses toward presenting her work at Palazzo Mora in Venice during the 2028 Venice Biennale.

SPONSOR VALUE

Leadership in Sustainability

The sponsor will receive visibility at the intersection of Art & Sustainability through a planned PR and storytelling campaign.

THE ARTIST

Sayaka Ganz

International artist known for creating dynamic, museum-exhibited sculptures from reclaimed materials.

PARTNERSHIP TIMING

We are seeking a committed sponsor partner before the end of 2026 to allow sufficient time to activate the partnership and create meaningful results.
