Section 3: Meals, Allergies and Other Considerations

Church After School Association, Inc. serves students lunch and three snacks within our venues. Items served in our venues may contain food products which can result in allergic reactions. We strive to use reasonable efforts in our food sourcing, preparation and handling procedures to avoid the introduction of the allergies into your child's menu. While we take steps to prevent cross-contact, we do not have separate allergy-friendly kitchens and are unable to guarantee that a menu item is completely free of allergens.

Please also note that our allergy-friendly offerings are reliant on supplier ingredient labels, and we cannot guarantee the accuracy of the contents of each food item. Allergen advisory statements (e.g., "may contain") are not regulated and therefore not taken into consideration when developing allergy-friendly meals. It is ultimately up to your discretion to make an informed choice based upon the student's individual dietary needs.
