## POLY FAUX

*Before POLY FAUX*

*After POLY FAUX*

***POLYFAUX Polyurethane Finish***  
Unique, interior, durable, pigmented coating system designed to help create a rich faux stain look.

Manufactured to work on interior hardwood or cement floors. POLY FAUX covers stains, flaws and imperfections on floors to give a beautiful look over problem areas. Bring new life to any room with POLY FAUX coatings. Perfect for covering stained or discolored hardwood or concrete floors.

Replaces the need to stain hardwood floors. Create your own faux stain look with many colors to choose from. POLY FAUX is made with 100% pure polyurethane resin for optimum protection.

Easy to maintain and if you wish to change color, simply recoat to give a new look. Coat the whole floor or create your own design with POLY FAUX Polyurethane.

Colors Available: Mahogany Sensation, Natural Walnut, Caramel Coffee, Royal Brown, Imperial Gold, Silky Chocolate, Silhouette Black, Modern Gray  
Sheens Available: Satin, Velvet, Gloss
