## Safety Data Sheet: 0740 Series – Colorado Pro 700 Eggshell

		Section 1: Prod	luct and Company Identifi	cation			
Product Name: Colo	rado Pro 700 Eggshell	Pro	oduct Number: 0746, 0748	, 0745, all container s	izes and 0740 ser	ies bases a	nd colors
Company Name: Old Western Paint Co., Inc. Address: 2001 W. Barberry Pl. Denver, CO 80204							
Company Phone: 303-	ny Phone: 303-825-5147 Emergency Phone: 1-800-255-3924						
Chemical family: Aque	ous pigmented resin solutio	on Inte	ended Use: Architectural o	coating			
		Section	2: Hazard Identification				
lazard Statements:			Pictograms:	A .	HMIS & NFPA C	assification	
H303 May be harmful	if swallowed		, integration			HMIS	NFPA Hazard
H316 Causes mild skin			Signal		Health	1	1
H317 May cause an all	-		Word(s):		Flammability	0	0
H320 Causes eye irrita			Warning		Reactivity	-	0
H335 May cause respir					Phys. Hazard	0	-
Precautionary Statem		· · · · · ·					
	ust/fume/gas/mist/vapors/						
	tective equipment as requine : wash with soap and water						
	EYES: Rinse cautiously with		itos				
	if present and easy to do.		1105.				
Potential Health Effec		continue mising.					
Inhalation: May be ha							
Skin: May cause skin i							
Eyes: May cause eye ir							
• • •	mful if swallowed. Aspiration	on hazard if swallowed	- can enter lungs and caus	se damage.			
• /	•		position/Ingredient Inform	_			
% By Weight	CAS Number	Ingredient	Units		Vapor Pressure		
0-25%	13463-67-7	Titanium Dioxide	ACGIH TLV	10mg/m3 as dust			
			OSHA PEL	10mg/m3 total dust

Dust), 3 mg/m<sup>3</sup> (respirable fraction), OSHA PEL 15 mg/m<sup>3</sup> (total dust), 5 mg/m<sup>3</sup> (respirable fraction). Removal of old paint by sanding, scraping or oth means may generate dust or fumes that contain lead. Exposure to lead dust or fumes may cause brain damage or other adverse health effects, especially in children and pregnant women. Controlling exposure to lead or other hazardous substances requires the use of proper protective

Section 8 (Continued)

## Safety Data Sheet: 0740 Series – Colorado Pro 700 Eggshell

equipment, sucha as a properly fitted respirator (NIOSH approved) and proper containment and cleanup. For more information, call the National Lead Information Center at 1-800-424-LEAD (in US) or contact your local health authority.

Ventilation: Local exhaust is preferable. General exhaust is acceptable if the exposure to materials in Section 2 is maintained below applicable exposure limits. Refer to OSHA Standards 1910.94, 1910.107, 1910.108

Respiratory Protection: If personal exposure cannot be controlled below applicable limits by ventilation, wear a properly fitted organic vapor/particulate respirator approved

by NIOSH/MSHA for protection against materials listed in Section 2.

When sanding or abrading the dried film, wear a dust/mist respirator approved by NIOSH/MSHA for dust which may be generated from this product, the underlying substrate (whether or not it is previously coated), and/or the abrasive.

Protective Gloves: Wear gloves which are recommended from the glove supplier for protection against materials listed in Section 2.

Eye Protection: Wear safety goggles or shatter resistant lenses with unperforated side shields.

	Section 9:	Physical and Chemical Properties	
Density/Specific Gravity	1.35 g/mL	Boiling Point	212°F – 448°F (100°C – 231°C)
Melting Point	N/A	Volatile Volume	62%
Evaporation Rate	Slower than ether	Vapor Density	Heavier than air
Solubility in Water	Miscible in water	рН	8.0-10.5
VOC Content, as packaged	45 g/L	Appearance	Viscous opaque liquid
	Section	on 10: Stability and Reactivity	
Stability: Stable		Conditions to Avoid: None known	
Incompatibility: None known		Hazardous Decomposition Products: (	Carbon monoxide, carbon dioxide (by fire)
Hazardous Polymerization: Will not	toccur

All information and data appearing on this Material Safety Data Sheet are provided in good faith and are believed to be reliable and accurate to the best of our knowledge at the date of publication. Although certain hazards may be listed herein, there is no guarantee that these are the only risks. None of the provided information is to be considered a warranty or quality specification or all-inclusive and is given only as guidance. It is the user's responsibility to determine the safety of use, handling, storage, transportation, disposal, and suitability for the intended utilization of the product. Unless otherwise specified, the data provided herein is valid only for the described material and may be not applicable for the product used in combination with any other materials or processes. Old Western Paint Co., Inc. shall not be liable for any damage resulting from handling, contact, use, or inability to use of this product. No guarantee, expressed or implied, is made by Old Western Paint Co., Inc. and the user assumes all risk and responsibility.
