PRODUCT INFORMATION
POLY GLOW CONCENTRATED HARDWOOD FLOOR
MAINTAINER/CLEANER

PG-1, PG-QT, PG-PT

TYPE : 100% Biodegradable Water based Cleaner

DESCRIPTION: A unique, neutral pH cleaner for daily maintenance of hardwood floors, cabinets, tile and other hard surfaces by wet mopping or by automatic scrubber. Pleasant apple scent. Cleans and brightens the floor without dulling the finish. Contains brighteners and surfactants to swiftly remove the widest variety of soils. Has a chelating agent to remove hard water deposits and residues from salt and ice melters. Very low foaming cleaner when used with professional scrubbing machines.

PREPARATION: Vacuum or sweep floor to be cleaned. Mix **POLY GLOW** concentrate with water in one gallon bucket. For hard wood floors and most other hard surfaces, mix 2-3 ounces (4-8 tablespoons) of concentrate per one gallon of water. If cleaning ceramic tile, mix 1-2 ounces (2-4 tablespoons) of concentrate per one gallon of water.

DIRECTIONS: Wipe or lightly scrub area until clean. Change mop water frequently, no rinsing is necessary. For stubborn areas, mix ½ ounce (1 tablespoon) of **POLY GLOW** concentrate with 1 quart of water and place into spray bottle. Spray the stubborn area and let stand 1-3 minutes. Wipe or lightly scrub area until clean. You can also use the spray bottle mixture to clean cabinets and wood furniture. If desired, after surface is dry, it may be buffed with a clean dry cloth or mop cover.

Note: Never soak or submerge wood floors with water.

When using **POLY GLOW MOP KIT**, rinse the terry cloth or micro fiber cover with water before beginning the cleaning process. Prior to using a new mop cover, it should be machine washed and dried as it is designed to shrink for proper fit.

CLEAN UP: If using the **POLY GLOW MOP KIT**, soiled mop cover can be machine washed and dried. For discolored covers, use non-chlorine bleach.

MAINTENANCE: You can use the **POLY GLOW** mop cover for daily dusting of your hardwood, tile or vinyl floors. The swivel-head design of the **POLY GLOW MOP** makes it easy to maneuver around furniture, doors and cabinets. Wipe up liquid or food spills quickly with a damp or dry cloth. Keep the **POLY GLOW** spray bottle handy for quick and easy clean ups.

Available in: Gallons, Quarts, Pints and Ready to Use 23 ounce spray bottle.

FEATURES:

- ❖ 100% Biodegradable Cleaner
- ❖ Superior Quality
- ❖ Fresh Apple Scent
