

POLICY SCHEDULE

Important

This document forms part of a legal contract and it is important that you read it carefully to ensure that it meets with your requirements. If it does not or if your insurance requirements change, please let us know immediately.

We would remind you that you must tell us immediately of any facts or changes which might affect our assessment or acceptance of this insurance contract. If you do not disclose all relevant facts, you may invalidate your policy, or your policy may not operate fully.
