Submitting Your Video

- 1. Make sure your video is shot in a well-lit environment. We want to see you
- 2. We are not able to accept links to videos. YOU MUST upload and submit a video to be considered.
- 3. The video should be 3 minutes and under.
- 4. Please submit your video as raw as possible, ie: do not submit over processed productions and professional reels. No Auto-tune. We need to hear you not the production. No Smule. Starmaker, etc.
- 5. You may sing to backing vocals, but please make sure the backing vocals are not louder than you. If we cannot hear you, we can't choose you.
- 7. Please make sure you double check your submission to make sure
- emplete. Make sure vou can hear vourself well. Remember, w
