

## YOUR 15 DAY GUIDE TO IDENTIFYING LIFES' LESSONS

**\*\*YOUR GUIDE TO IDENTIFYING LIFES' LESSONS\*\***For the next 15 days, I will be identifying many of Gods' life lessons. I have found that many people can't learn from a LESSON because they don't realize they are in one...Read One per Day and Process them.

**Lesson #1:** Take care to listen to ppl who tell you stuff you don't want to hear. It's hitting a nerve because you don't want to deal with the issue. Learn to think rational and get out of your emotions. Emotional thinkers have many of problems! If it has merit, face it, and grow! #ADoseofHope #15daysoflessons

**Lesson #2:** It is never too late to have a happy childhood! The second one YOU get to choose! Stop looking back! Make up for it yourself! Thank the Lord for new mercies each morning! You get to start over new and you do not even see it! #ADoseofHope #15daysoflessons

**Lesson #3:** Stop watching other people's problems because if some people threw their problems in a pile, you probably would grab yours back. It's always worst for someone else....sorry, but no one person wins the prize for the worst problem in the world! There is nothing new under the sun. Not diminishing your issues, just putting them in perspective. #ADoseofHope #15daysoflessons

**Lesson #4:** No matter how good or bad a situation is...it will change! Nothing stays the same! Learn to prepare your mind for it! Nothing stays the same!!! #ADoseofHope #15daysoflessons

**Lesson #5:** Your job will not take care of you when you are sick! Stop dedicating so much of your life to it! Do the work, but keep it in balance! They don't care about you, they care about the work you were hired to do! Stay balanced with your own dreams and ambitions!#ADoseofHope #15daysoflessons

**Lesson #6:** No matter what you feel like...get up..get dressed...and show up! There is power in moving forward anyways!#ADoseofHope #15daysoflessons

**Lesson #7:** To understand that what other people think of you is none of your business! In fact, keep your head to the sky so none of it matters!!!#ADoseofHope #15daysoflessons

**Lesson #8:** What if I told you..you were going through this trial right now so that you can impact someone else's future! It's true! #ADoseofHope #15daysoflessons

**Lesson #9:** Before you set out and start diagnosing yourself with low self-esteem, depression and all these other mental illnesses, do some house cleaning and make sure you don't have idiots around you who are conducive to your mental state. Clean that up, and watch how quickly you heal. #adoseofhope #15daysoflessons

**Lesson #10:** The pain will leave...once it has finished teaching you! #ADoseofHope #15daysoflessons

**Lesson #11:** Look, some ppl just mad at you because you not suffering the way they prayed you would. #Ceilingprayers #Godainthearyou #justevil #ADoseofHope #15daysoflessons

**Lesson # 12:** Always remember this! Don't get mad when family and friends don't support your vision or understand your dreams....GOD GAVE YOU THE VISION, NOT THEM!!! Stay focused! #HeTaughtMe #ADoseofHope #15daysoflessons

**Lesson #13:** You will never be good enough for the wrong people...so decide you are the right person to be good enough for! #ADoseofHope #15daysoflessons
