Covid 19 Vaccination - "Cure or Curse".

Reference: The Bernicean Website (Michael O'Bernicea, Britain).

12Jan21 quotation:

"Criminal Correlation Between "Vaxxtermination" Roll-Out and 'Covid Deaths'."

"Over the course of the past few weeks, evidence has arisen which shows that there appears to be a direct correlation between the roll-out of the vaxxtermination agenda and the sudden spike in what the UK government claims to be 'Covid deaths'." What isn't?

"FOI Request for Government's Definition of Vaccine."

"When BoJo (Prime Minister Boris Johnson) was asked in an FOI request to disclose definition of 'vaccine' the government, relying on the Cabinet Office, replied thus:

"I am wrting to advise you that following a search of our paper and electronic records, I have established that the information you requested is not held by the Cabinet Office."

Per The Bernicean, "This is clearly because if they admit that a vaccine is a preparation of a weakened or killed pathogen, such as a bacterium or virus, or of a portion of a pathogen's structure that upon administration to an individual stimulates antibody production or cellular immunity against the pathogen, but is incapable of causing severe infection." So, it creates a time-

delayed, eventual culmination in death, because of the dangerous toxic, chemical ingredients in the vaccine! In other words, there is really is no safe vaccine!

"In the meantime, they (the government) would be able to con the public and the medical professions into believing that the COVID jabs can truthfully be described as such, on the ground that is already documented that they are more than capable of causing strokes, heart attacks, paralysis, cancer and sudden death."

If, as I believe that the so-called pandemic "virus", as debunked by the scientifically logical research and commentary of sociologists John Scott, and Tom O'Bernicea, is instead a non-contagious, non-transmissible, healthy protein process automatically developed in the body to dispose of accumulated waste substances from living cells!

In contrast to which The World Health Organization, and a consensus of scientists, and doctors, subscribe to an intentional fabricated, misconceived "highly communicable", unprovable "infectious" viral disease!

An interesting caricature of the subject "virus" is entered in the text of John Scott's commentary: "Hello, I am COVID 19, I am a cure, not a disease", meaning I am a "solvent", a cleanser and disposer of cellular toxic waste material." Which is a logical, scientifically accurate definition of the organic, healthful, natural purpose of a virus!

From The Bernicean, and My, Reference Notes on the One-World Movement Conspiracy:

COVID 19 Virus "Scamdemic" (Bernicean term)--whose primary purposes are (1) to politically damage and discredit the Trump presidency, creating further false impeachment grounds, and (2) ultimately advance the One World Government global takeover plan to reduce the human population of the earth by up to 95% by genocide (mainly by lethal injection (vaccination) of Kissinger's "useless eaters", or Churchill's "live bait", and to reduce their carbon dioxide targets (radical "Climate Control" goals) by the year 2030!

Survivors would be selected minions and servants (property-less slaves) by the self-appointed international bank controllers, who are megalomaniacal Zionist Jews (the "Superior Race"), per following reference to their historic inhumane disdain for Gentiles, or all non-Jewish people!

The haughty, secular, terrorist Israeli elitists have always considered all other nationalities (Gentiles) to be "dogs", or "pigs" and other negative demeaning descriptions. Which is inhumane and cruel enough, but to conspire to eventually exterminate them, like self-appointed Gods, is barbarically immoral contempt for all other fellow human beings that have every God-given, equal right to share and enjoy every opportunity and privilege that should naturally exist in the world for everybody!

How, then, can the United States and most of the world blindly think the hierarchy of Israel deserves any recognition and

respect from any other nation on earth, especially when the Zionist Jew leaders hate them all? While It is unfortunately unbeknownst to most of the world, it can only be rationally explained as a Jewish hijacking of the Biblical principle of Israel being God's favored people, for whom He established the Mosaic law to be their responsibility to literally obey its commands, in order to be accounted by that law to be "faithful, or righteous"!

The Bible does declare that there is a minority element of the Jewish people that does maintain a devotion to their orthodox religion! As the scriptures state, "God reserved to himself" a faithful remnant, or "seven thousand men who have not bowed the knee to the idolatrous worship of Baal!

However, the ones designated as Zionist Jews have long ago abandoned any allegiance to their earlier religious heritage! So, having lost their biblical standing with God, why does the world accord them any distinction of favored status, especially with apparent ignorance of their adamant, demeaning claim of racial superiority?

Probably most readers of this commentary will discount, and disregard my explanation of the forementioned, potentially serious existential world problem! The foundations of the sought-after utopian life of world control have already been laid financially and politically by the conspirators, in the two and a half centuries that the One World Government movement has been developing. See UN Agenda 21 for grim details!

Integral to the OWG plans, the heavily financed,

underhanded, nefarious work of the computer mastermind Bill Gates, is the intended cyber-control of citizens who become vaccinated, either voluntarily or by probable government mandate! Included in the plan is a requirement of computerized **crypto-currency**, as the only method of personal finances to be allowed.

It is more than a "conspiracy theory" that Bill Gates is developing an injectable chip to store vaccine records. "The Bill and Melinda Gates Foundation invested more than \$21 million to perfect a "micro-needle technology" that embeds under the skin, to create a vaccination record, visible by infrared light that can be read by a minimally adapted smartphone technology, that will allow health officials to scan U. S. citizens to detect their vaccination compliance."

"A sensor coupled to communicate with a user device, or included in the user device, can detect the user's body activity! This means that if you do not meet the required criteria, your CHIP will capture your body activity and inform the "authorities" that you are not authorized to receive the crypto-currency, resulting in forced compliance, or worse! That is why Bill Gates is so obsessed with VACCINES and their ASSOCIATED CERTIFICATES."

On the subject of the pandemic virus hoax, a statement from The Bernicean is quoted here, pertaining to the effect of the Covid 19 restrictions imposed in England (and by the U. S. as well): "Having destroyed the entire national economy in nine months, it is threatening to make everything that makes life worth living a

criminal offense." And, the same thing is beginning to increasingly happen in the U. S., under the new Biden regime!

Quoting again from The Bernicean in England: "Having wrecked the lives of our children, traumatizing them with fear-inducing psychological warfare", (when they are scarcely vulnerable or endangered by the staged pandemic), "they are now threatening to criminalize vaccine refusal." Against those impending tyrannical actions, O'Bernicia together with a large contingent organization have been engaged in a counter-offensive movement. He states confidently that there is compelling proof (evidence) compiled, which could convict and prosecute the government for the atrocities committed and scheduled, which are against the inherent, natural rights of England's people!

Nothing less than a similar ultra-serious endeavor must take place in America, if we hope to survive the ominous, foreboding likeliness of a national catastrophe here! But, do we have the resolve and courage to undertake such a critical task? Or, as has been the case for some time, are there too many feckless "leaders" in our government?

I hope people don't think that I am exaggerating the threat of this national dilemma, because the signs of the impending crisis are all around us, threatening and crying for action to avert, and hopefully stop it!

Pray that God might intervene, and rescue us from the plight we are in!
