## All Roads Lead To Zionist Jew World Control

This commentary is based on the actual premise that there exists internationally a New World Order conspiracy, by which certain megalomaniacal **Zionist** Jews have been engaged in a surreptitious self-serving movement, mainly beginning with the Bavarian Illuminati in the 1700s, to eventually establish a private (self-serving) utopian empire, through an oligarchy of which they would dominate and control the world.

The historical details of the movement, while available from research and reporting, are mysteriously not widely known or circulated (reflecting the intentional secrecy of the conspiracy). The NWO conspiracy operates **"under the radar"** by covert design,

An insightful, well-worded quotation from John F. Kennedy gives us a comprehensive summary of the clandestine plot of the greedy, self-aggrandizing one-world planners of the radically restrictive, inhumane demise of nearly all of the non-Jewish inhabitants of the world.

In the astute observation of JFK, he said: "For we are opposed around the world by a **monolithic and ruthless conspiracy** that relies on covert means for expanding its sphere of influence- on **infiltration** instead of **invasion**, on **subversion** instead of **elections**, on **intimidation** instead of **free choice**, on **guerrillas** by night instead of **armies** by

day. It is a system that has conscripted vast human and material resources into building of a tightly knit, highly efficient machine that combines **military, diplomatic, intelligence, economic, scientific and political operations.**" Judging from the words of JFK's commentary--for all intents and purposes, **the Jews run the world!**

The above informative, summation of the conspiratorial actions of the New World Order is an accurate description of the **stealth, megalomaniacal** operations of the elitist Jewish scheme to overtake the world, for its own, global-controlling, utopian purposes. The racial, if not personal, identity is of the ruling Jews that should be included in the commentary, but JFK conspicuously omitted it, probably for specific self-incriminating political reasons.

All of which, can convincingly be concluded from the later demise of President Kennedy in his **planned execution** because he was onto the subversive plot of the One-World Government movement, and was not a party to the comprehensive criminal conspiracy!

### **Debunking The Holocaust Hoax**

A masterful work of research and analysis, was done by a journalist named Mark Elsis on the subject of **Holocaust Revisionism**, which is in two parts: (1) Who the Jews are, and the death and carnage they have inflicted on the Gentiles throughout history, and (2) Evidence

dealing with, and repudiating every major facet of the Jewish "Holocaust" myth!

The following quote is a credible, logical explanation discrediting the trumped up narrative of the Zionist Jews, typical propaganda employed to perpetuate the holocaust hoax. Both Israel and the U. S. echo their so-called mutual "ally" relationship, despite overwhelming contradictory evidence against the integrity of its claims!

There is no rational explanation that this feigned relationship would ever be truthfully maintained by U. S. Gentiles, who are the sworn enemies of the Zionist Jews per Prime Minister Begin statement cited further on, herein. As noted in the section ahead on the subject of Supernatural Cause and Effect, Satan has paranormal power over the minds of non-Christians is proven by the failure of nonJews to resist and mobilize against the inhumane mission declared by Begin and all ruling heads of Zionist Jews to eventually destroy the world population of Gentiles!

The source of the information on the so-called "holocaust" is CODOH, the Committee for Open Debate On the Holocaust, P. O.Box 20774, York PA 17402.

"In contrast to establishment historians, revisionists claim that the German State had NO policy to exterminate the Jewish people (or anyone else) in homicidal gas chambers, or by killing them through abuse

or neglect. Revisionists also maintain that the figure of six million Jewish deaths is an irresponsible exaggeration, and that no execution gas chambers existed in any camp in Europe, which was under German control!"

"Fumigation gas chambers, both stationary and mobile, did exist exist to delouse clothing and equipment in order to prevent disease at POW, labor and concentration camps, and at the fighting front. It is highly likely that from the life-saving procedure, that the myth of extermination gas chambers emerged!"

Following is Elsis's compilation of the entities that affect the Jewish conspiracy: "It is through their evil usury that they control (1) almost all media, (2) every major television and radio station, (3) every major newspaper and magazine, (4) every Hollywood movie, (5) every major publisher of books, and (6) the academia, from kindergarten through post-doctorate. They also have total control of (1) every major corporation, (2) the medical system, (3) the judicial system, and (4) nearly every single politician."

"The Jews also control a majority of shares in (1) the pharmaceutical companies, and (2) most of the sports franchises. They are behind the fact that 75% of the water systems are poisoned with fluoride. Add to which GMO crops that are poisoned, along with 90,000 man-made chemicals, vaccinations, useless drugs, etc., etc. for

the ultimate purpose of genocidal **depopulation** of most of the earth's inhabitants."

### The True Jew Holocaust

**The real Holocaust was what the Jews in the former Soviet Union did to the Christians after they (the Jews) overthrew the Tsarist autocracy in the 1917 revolution!** On July 17, 1918, the Jews butchered the Russian Imperial family of Tsar Nicholas II, his wife Alexandra, and his daughters, Olga, Tatiana, Maria, Anastasia, and his son and heir Alexei.

With this completed, and the Jews firmly in charge, they ordered the death penalty for anyone who criticized Jews. They slowly tortured and killed the priests, then desecrated the churches, then proceeded to **murder** upwards of **66,000,000** mostly Christians. In 1932 and 1933, in the Ukraine section of the former Soviet Union (their bread basket) the Jews starved to death roughly **10,000,000** people. Ukrainians call it their Holodomor, which is a compound of their words holod for "hunger", and mor meaning "plague".

In another reference to Jewish cruelty and terrorism, at the Constitutional Convention in 1787, Ben Franklin (in a chitchat around the table, during intermission) said, " I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. The **menace**, gentlemen, is the **Jews**."

"In whatever country the Jews have settled in any great number, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves, and have not been assimilated, have sneered at, and tried to undermine the Christian religion, upon which the nation is founded, by objecting to its restrictions, have built up a state within the state, and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal."

Franklin continued, "If you do not exclude them (the Jews) from the United States in the Constitution, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land, and changed our form of government, for which we Americans have shed our blood, given our lives, our substance, and jeopardized our liberty."

"Their ideas do not conform to America's, and they will not even live (peacably) among us ten generations. Jews are of Asiatics (mixed nationalities), are a menace to this country if permitted entrance, and should be excluded by this Constitutional Convention."

### Zionist Jew Cruelty

Note in JFK's previous quotation, how Franklin's and Washington's prophetic warnings have become effectively true about the Zionist Jews, an ethnocentric race, whose adopted ideology of hatred and enmity toward all non-

**Jews** has characterized and motivated them to historically attack Gentiles as inferior beings, by any means of **consent or conquest!** Also, in a quote from the Jewish Talmud, "Even the best of the goyim (Gentiles) should be killed."

In another statement from John F Kennedy, "There is a plot in this country to enslave every man, woman and child. Before I leave this high and noble office, I intend to expose this plot." In an additional note from JFK, he said he was determined to prevent Israel from building a nuclear arms arsenal! Would this not have a precursor effect on his later assassination?

### Israel's Inhumane Treatment of Palestinans

1. Zionism is an illegitimate transformation (betrayal of the principles) of Judaism from religion and spirituality, into a secularistis movement, and culture.

2. By which ideology, Zionists have committed grievous moral evil in their treatment of the Palestinian people.

Quoting from the Information Project of the Palestine Solidarity Committee in Seattle , "Palestinians have lived for thousands of years in the region once known as Palestine, and now known as Israel, the West Bank, and the Gaza Strip."

"For some two thousand years, Palestinian Jews were

a small and accepted minority in Palestine. The current conflict is not ancient, but has its roots in the nineteenth century with the birth of the Zionist movement in Europe."

"Zionism began in the late 1800's as a nationalist movement among European Jews who hoped to escape from centuries of persecution, apartheid, pogroms, and expulsion from European countries. The Zionist movement advocated forming a Jewish national state in Palestine."

"The Zionist movement was openly racist in denying the significance or rights of the indigenous people of Palestine. Neither Palestinian Arabs nor the majority of Palestinian Jews favored the Zionist plan."

"Though the Jewish people made up only 33 percent of the total population, and owned only 6,59 percent of the Land, UN Resolution 181 recommended giving the Jewish state 54 percent of the territory (indicative of the Jewish authority in the UN). Civil war between Zionist Jews and Palestinian Arabs broke out immediately after UN Resolution 181 was announced."

"Zionist shock troops attacked the Palestinian village of Khissas in northern Galilee. Men, women and children were killed and wounded in the night raid. At least 200,000 Palestinians had been driven out of their homes in what was to become Israel."

Scripture, and other Jewish literature confirms that "it was not God's will to establish a separate nation, but for the Jews to be cohabiting with the Palestinian Arabs, as it was before the dispersion. Quoting from Facebook, "We (Judaists) don't want to take Palestine away from the Arabs, and give it to the Jews, but we want to take it away from imperialism (of the Zionists), and give it to the Arabs and Jews.....then will begin the long struggle for rapprochement between Arab and Jewish states.... This was always a basic hope and mission of the orthodox Jews."

"A vast majority of Palestinians have never resorted to legitimate or illegitimate violence to resist the (Zionist Jews) occupation. but continue to use steadfastness and nonviolence to struggle against Israel's military occupation and ongoing attempts to dispossess the Palestinian people."

"Zionists are openly racist, running roughshod over the mainly peaceful Arabs, dispossessing them of their homes and land, and denying them equal human rights to the necessities of life--food, water, and other utilities, and safety and medical facilities and services."

"Prime Minister Benjamin Netanyahu is a Zionist, not a traditional orthodox Jew, or Judaist. ,,,,He is a committed leader of the fundamentally terrorist Israeli majority faction, which is a nonreligious, opportunistic,

self-serving organization."

### Israeli Hatred Of Gentiles (Non-Jews)

Listen to what Menachem Begin, Israeli Prime Minister, had to say about the "superiority" of the Jews, "Our race (the Jews) is the Master Race. We are divine gods on this planet. We are as different from the inferior races, as they are from insects."

"In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the other races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet, and serve us as our slaves." And from the Jewish Talmud, 'Even the best of the *goyim* (Gentiles) should be killed'."

For anyone to minimize, or tend to dismiss the ultra-seriousness of that statement by Prime Minister Begin, as not representing the entire Zionist Jew, megalomaniacal plot against non-Jewish (Gentile) humanity, is an inexcusable, irresponsible lack of reaction to the most existential threat facing the world today!

A contrasting distinction must be made to classify the Jews as (1) non-religious Zionist Jews, and (2) orthodox, religious Jews (Judaists). Zionism is an illegitimate transformation (betrayal of the principles of Judaism),

from religion and spirituality, into a secularistic movement and culture.

And, then for the U.S. to call Israel an ally, and vice-versa, for Israel to call the U. S. an ally? Surely, because Israel is a technical democracy doesn't favorably temper their vicious diatribe against others, essentially characterizing them as Gentile dogs! Why isn't the diabolic monologue of Begin's hatred and vitriol, along with a history of similar racial dialogues from other Zionist Jew leaders, publicized and ostracized, and acted against.

There are only secondary references and comments that partially explain the propaganda and coverups involved in the UN Charter deceptive alliance between the Zionist Jews and the U. S, and other countries who have been victimized and disenfranchised by the conspiratorial New World Order movement of the elitist ruling Jews. An important qualification must be realized about the principal perpetrators of the nefarious mission of the Zionist Jews!

The obsessed driving force of the NWO conspiracy is attributable to the specific mental disposition of the self-appointed Jewish rulers and controllers of the evil, international powermongering scheme. There is a psychopathological term for the psychotic condition involved. Which is megalomania, defined by the London Times Literary Supplement as, "A delusional mental illness, that is marked by feelings of personal

omnipotence and grandeur".

### The American Treasonous Betrayal

On the surface, nothing exemplifies the mystery of the one-world government plot more than the U. S, capitulation to the evil conspiracy in the 1945 treaty agreement with the U. N.

Some said it was because of the excitement of the U. S. having recently emerged victorious from WWII, coupled with the U. N. false flag assurance of globally stationed military forces to provide "peace and security" for the world. When in reality, it was a major step in the fulfillment of the NWO utopian goal of elitist Zionist Jews austere world control.

There is no rational human explanation for why the U. S. would ever replace (1) its time-honored, constitutional free and autonomous world leading sovereignty and independent freedom, for (2) an interdependent, powerless slave membership under the totalitarian control of the U. N. Security Council.

It was, in a word, the death knell of the **great American sell-out!** And, why, strangely, for more than 75 years there has been comparatively little awareness of the severe national predicament we are in. Likewise illogical is the absence of adverse reaction and effort by the United States to extricate itself from the unholy alliance that we irrevocably consigned ourselves to!

No strictly human effect can logically be believed to explain the foolish act of surrendering the reins of our exceptional nation, for the deceptional promise of "a mess of imaginary pottage" of peace and security!

### Satanic Supernatural Cause and Effect

The cause and effect of the dilemma of our universal plight lies in the realm of the cosmic reality of the perennial conflict between the supernatural beings of God and Satan! Satan's rebellion against God, and his subsequent expulsion from heaven, was followed by the commission of sin on earth, resulting from Adam's disobedience in the garden of Eden to God's specific command not to partake of "the tree of the knowledge of good and evil". By which act, man would forsake immortality. and be personally responsible for his life actions, independent of God, and without recourse to God's grace, mercy and guidance!

Satan was consigned to rule over fallen mankind, under the judgment of the "law of sin and death", except for God's plan of salvation, whereby those who are elected (purely by God's independent grace, without human merit) are personally redeemed (eternally saved)!

Satan has influence and control over the minds and actions of all non-Christians. In other words, they are all subject to his authority and power over their lives! In fact, even Christians, who are not spiritually obedient,

and faithful to God, are likewise accessible to Satan.

While, the foregoing rationale may not be readily acceptable to most people as the cause and effect of the subject in question; and being the reason why such a monumental traitorous act of America's submission to United Nation Charter total treaty authority over us, actually happened!

And, though we are legally bound to the conditions of the dictatorial terms of that document, we are not irrevocably doomed to its ruling power! Not any more than we were interminably forced to submit to British rule and authority over us before the American Revolution!

That is to say, that human bondage should never be hopelessly surrendered to, without exercising every effort to seek and establish, or regain **the natural rights of Life, Liberty, and the pursuit of Happiness!** And, the safeguard we have for our liberty and freedom is the Second Amendment essential citizens' **right to bear arms!** The possession of which is based upon **(1) the natural human right of self-preservation, and protection**, and the concomitant means **(2) to resist government tyrannical overpowerment, and confiscation of firearms, or any other imposition against our God-given freedoms!** Our unyielding mantra, therefore, ought to be the words of Patrick Henry, **"Give me liberty, or give me death"**. Or, it may be said that **what is worth living for, is worth dying**

for!

## Anti-"Semitism" Justified

I know that the implication of the above caption is immediately controversial, but it can be clearly substantiated by tracing the past century or two of the Jewish race. Not that it would be readily acceptable in general, or to many in the world, because the truth of the current "Semitic" situation has been purposely and clandestinely covered up, and propagandized, mainly by the U. S. under **the overriding influence and controlling power of Satan!**

To put it more succinctly, in the context of orthodox religious Israeli identity, **a Zionist Jew is not a true religiously indoctrinated Jew!** I am referring specifically to the advent of the non-religious **Zionist Jew development**, which characterizes the great majority of the general Jewish race.

On the question of anti-Semitism, there is a phrase to note for its application to the universal misconception of the subject. That is, as quoted from Mark Elsis, the author of **"Holocaust Revisionism"**. "The universal concept of "anti-Semitism" is a preconceived cognitive dissonance, that will not stand the critical analysis of its pretended authenticity, as a world problem to be sympathetic to, and agreed with!" Hence, my caption of "Anti-Semitism Justified", despite centuries of lying

propaganda, and unconscionable coverups for the cruel terrorism, and slaughter of non-Jewish people by Zionist Jews!

I made the essential distinction of the two identities of Jews that exist in the world, that must be realized and taken into serious account, before unjustifiably aligning with the predominant international ruling force of the Zionist Jews.

### Hitler On The Tyrannical Zionist Jews

A quote, surprisingly, from Adolf Hitler is revealing of the true nature of the Zionist Jews: "Now begins the last great revolution. By wresting political power for himself, the Jew casts off the few remaining shreds of disguise he still wears. The democratic plebian Jew turns into the blood Jew and the tyrant of peoples. In a few years, he will try to exterminate the pillars of intelligence, and by robbing the people of their natural spiritual leadership, will make them ripe for the slavish lot of a permanent subjugation. The most terrible example of this is Russia."

A **supernatural cause and effect\*** is the only conceivable explanation for the mystery of human failure to vote against the **1945 treaty proposal soliciting U. S. agreement to UN Charter membership.** Which act historically resulted in a technically irreversible United States capitulation to UN authority, which pursuant to international treaty law, **sold out our sovereign, free**

nation autonomy to the totalitarian control of the UN National Security Council. In other words, the U. S. made an out-of-control (out-of-mind) internationally binding giant legal step from (1) an independent democratic republic to (2) a communistic socialist government!

### More Than A Traitorous Human Act

\* There is no possible human explanation for the unanimous (?) government decision to unwittingly agree to surrender our national sovereignty, freedom, independence, economic opportunity, and personal rights of life, liberty, and the pursuit of happiness, in exchange for the despotic, autocratic communistic U. N. forerunner to the New World Order conspiracy movement, per specifications embodied in the associated U. N. Charter!

In a terse summation of the traitorous acts of our trusted officials, they "gave away the farm"! Again, apart from the supernatural cause and effect of the event alluded to, as previously noted, there is no logical, even plausible conscious human reason for the extreme treasonous action of the 1945 Senate.

I believe there is only one credible answer to the paranormal phenomena associated with at least several cases noted in the history of major events or happenings, which do not conform to normal human cognizance, or behavior!

## Satan's Rebellion Against God

First off, I need to explain the biblical explicit and implicit revelations of the person of God, the creator and administrator of the universe; including all aspects of nature and human and biological life, and integral natural laws! Or, as the hymn says, "This Is My Father's World".

In eternity past, the heavenly order consisted of God the father, the son Jesus Christ, and the Holy Spirit, and a host of powerful holy angels, endowed with highly superior skills and abilities, to worship and serve the will of God. As evidenced by the rebellious act of Satan, angelic beings were created with **free wills** to either faithfully live for God, or to opt for a way of life, contrary to the will of God.

As with Adam, on earth, before he disobeyed God's specific injunction, every good reason and incentive existed for man to follow God completely, with no proclivity or alternative choices that could ever justify or fulfill any options for a different way of life!

It may be **the greatest and fullest gift of God to angels and man**, that they would always be able to willingly follow and obey God, and not be forced to automatically act in his favor, living as independent thinking and acting beings, but technically robotic creatures!

Considering Satan's position in the hierarchy of God's

order, it appears that he may have been the highest ranking angel, close to God in the administration of heavenly affairs. And, somehow pride and ego overtook him, and he lusted for "godly" power and rulership. He coveted God's authority and position, declaring that "I will be like the most high".

When we note further that in the case of Job's spiritual testing, Satan accused him before God, of being faithful because his fidelity had not been under extreme conditions of persecution and suffering, which Satan declared would cause him to deny and curse God! But Job did not blame or charge God with fault, nor was unfaithful to him, no matter how bad Satan sifted and tormented him!

The main object of this presentation is to show the influence and control that Satan has over the mind of natural, unredeemed man (and even unspiritual Christians), which explains the limits of independent free will that man possesses. And, the mission that Satan is obsessed with in establishing his evil kingdom on earth.

Enlarging on the power that he had in the example of his attack upon Job, it is a logical conclusion to make to explain the mind controlled results of mortal man's highly abnormal actions, or decisions that adversely affected America's national and world status! The catastrophic, existential event being the 1945 treaty agreement with

the U. N.

Call it hypothetical **theory** vs, fact, if you will, but it is the only plausible answer to the mystery of why otherwise discerning, responsible government officials would make destructive treasonous decisions against the country they were sworn to serve and uphold!

There is, then, an ongoing earthly drama, of which the world is the stage, occurring between Satan and God--that is, evil vs. good, or sin vs. righteousness! Over all of which, God has infinite power and control to intervene and act according to his will and eternal plan!

Satan's role in the earthly judgmental conditions of fallen man, is in the domain of the **"law of sin and death"**, which natural, unredeemed man is under, since the fall. Christians, by virtue of their new, spiritual nature are endowed with the **"law of the Spirit of life, which is in Christ Jesus"**, their saviour! Rom. 8:2.
