First Rooftop Bar/Restaurant coming to Ottawa Ave

Social House Kitchen & Bar is expanding upward

GRAND RAPIDS, MICH (March 20th, 2023) Social House Kitchen and Bar (25 Ottawa Ave) will soon be on the elite list of rooftop bars in Grand Rapids. Their lunch and dinner crowd has grown exponentially and continues to expand, making their need for additional seating a top priority for the authentic craft restaurant.

Rooftop renderings have been approved by the City Planning Commission to allow a second story to be added to their current patio landscape. [Quest Design](#) contractors, along with [Robert Andrus Architecture](#), [Fabtec](#), [Mitten Concrete](#), [Hoffman Consultants](#), and [Iconic Painting](#) are turning these patio renderings into a reality.

“We want to continue to bring people together, to be social, and connect over a meal” says Mandi Sala, General Manager of Social House Kitchen and Bar. *“As we expand our restaurant, we are excited for what the summer will bring.”*

The rooftop patio is scheduled to be completed early summer of 2023. With the addition of 49 more available seats, the space will be a “must visit” as the weather continues to warm. Follow their social media channels for updates on the patio and the opportunity to attend their patio kickoff event this summer.
