tel: 905-686-SNOW [website](#)

Snow Valley

Snow Valley in Barrie offers the best snow tubing terrain in Ontario. With a snow tube rope tow and lots of chutes with large lanes so you can go down along with your group of friends or your family, Snow Valley is the place for snow tubing. For the little ones (under 42") we have our Kidz Zone! tel: 705-721-SNOW or 1-877-404-4744 [website](#)

Blue Mountain Resort

Hike N' Tube gives guests a taste of downhill without the speed and equipment associated with skiing and snowboarding. Suitable for riders as young as three, Hike N' Tube ensures there's a cold weather activity for Winter Warriors of every age and level of ability.

tel: 1-877-445-0231 [website](#)

Horseshoe Valley

Get your heart pumping with the all thrill, no skill fun of snow tubing. Head to the Horseshoe Adventure Park to fly down 5 big chutes and one magic carpet to whisk you back up to the top fast! Go down by yourself or grab some friends and go as a group!

tel: 1-800-461-5627 [website](#)

Chicopee Tube Park

Featuring a 9,500 sq. ft. log chalet, and a raised 2,500 sq. ft. outdoor deck overlooking a multi-lane snow tube park and the picturesque Chicopee hills. The tube parks specially made chutes have snow barriers to guide tubes safely along the full length of the chute. The Tube Park Lift System returns riders and their tubes to the summit for another run. [website](#)

Mount Chinguacousy Tube Park

Mount Chinguacousy in Brampton's Chinguacousy Park offers winter fun for families including ski and snowboarding and a tube park. The Tubing season runs from early January to mid-March, you must be 42 inches (106cm) tall and maximum 250lbs to tube. [website](#)

Arrowhead Park

Access to Arrowhead's tubing hill is included with a daypass. Only park-provided tubes are allowed. Call Arrowhead's automated telephone service at 705-789-5105 for conditions. Operating dates for winter activities run from mid December to end of March. [website](#)
