

# AFFORDABLE FOR ALL MODEL

*Partnering with families;  
witnessing God's Providence.*

## STEP 1

Apply to  
*St. George, attend a family  
interview, and receive  
acceptance*

## STEP 2

Send a letter to our scholarship  
board. Send the rest to friends,  
family, your church, and others  
(We will pay for postage!)

## STEP 3

Fill out an income verification form  
and create a family appeal letter  
with information about the school  
(We provide the materials!).

## STEP 4

Wait on the  
Lord, and see  
Him provide.

St. George Christian Academy (SGCA) is committed to making a Christ-centered, classical education affordable for all Christian families. To support this vision, the school offers limited scholarships, financial assistance, and special tuition discounts. These programs are designed to help families manage the cost of tuition while fostering intentional engagement in the life of the school.

As part of this process, SGCA works with families to help raise any gap in funding needed to support their child's education, in addition to submitting their applications to the Board for scholarship consideration. While financial assistance is not guaranteed, these opportunities reflect the school's desire to promote a spirit of gratitude to God, recognizing Him as the ultimate provider of all needs.

# READING & TECHNOLOGY COVENANT

*Receive 10% off!*

## COMMITMENT 1

### The Commitment to Reading Nightly

Parents/guardians agree to spend time reading aloud with their child(ren) for a minimum of 15-20 minutes every night. Reading will be tracked using a monthly reading log.

## COMMITMENT 2

### The Commitment to Being Screen-Free

Parents/guardians commit to withholding possession of a personal smartphone from their children until they reach the age of at least sixteen (16) years old, and to prohibit their child from using laptops, iPads, phones, etc. unsupervised.

Families who sign the *Reading & Technology Covenant* will receive 10% off tuition, before any other discounts are applied. Covenant will be reviewed and re-signed annually. Reading logs will be collected each month. If a family demonstrates failure to uphold this Covenant, the Headmaster may determine that the parents are ineligible to submit the covenant for the following school year.

This Covenant is a commitment which is encouraged but not required, and is not related in any way to the terms of enrollment or the agreements therein. This is an “above and beyond” commitment that families may make to more fully integrate into the culture of the school.
