A LA CARTE SERVICES

Ceramic Seal Coating

\$10.00

Engineered to fill in and reinforce irregularities of painted surfaces; this creates a smoother finish, increased reflection, and brighter shine. Ceramic Seal bonds and cures on the surface of your vehicle, adding a barrier of protection and performance.

rain-x All Surface Protectant

\$5.00

The all surface protectant contains reactive silicones and other polymers that provide durable water repellency and shine for windows, chrome, and painted surfaces. Repeated applications build up an ultra-violet (UV) protective layer which increases product durability and enhances performance. Provides increased protection against paint oxidation and dulling.

Clear Coat Protectant

\$3.99

A combination of polymeric silicones that provide luster and durability to clear coats and other painted surfaces.

Air Freshener

\$2.49

A fragrance of your choice is applied inside of your vehicle.

Underbody Protectant

\$6.99

Water is sprayed on the underside of the vehicle through a series of low pressure spray nozzles. The water flushes away loose dirt and road grime. A rust inhibitor is then sprayed on the undercarriage. This product forms a chemical bond to the underbody and creates a film that is highly resistant to water and salt penetration.

Online Wheel Cleaning

\$4.99

A cleaning product designed to dissolve dirt and brake dust is applied to the wheels. High pressure water, working in conjunction with the cleaning product, blasts dust off the rims. When the vehicle exits the wash, a team of car wash crew members completes the cleaning process by hand.

Tire Dressing

\$4.99

This product is made for all rubber surfaces. It will give your tires a deep, rich shine.

Interior Protectant

\$14.99

This is a water-based product specifically designed for leather and vinyl. It has a pleasing fragrance and provides a semi-dull shine.

Exterior Dressing

\$5.00

This product is made to shine all rubber, vinyl, and plastic surfaces. We apply the product to your vehicles' front and back bumper, side door trim, running boards, and mud flaps.
