

Jewish Family Living

November 25th 2018 -.- 2:00-3:30pm -.- Congregation Etz Hadar

Please join me for a family living class - all families are welcome! This month's class will center around Chanukah and the concepts of acceptance, bravery, and resourcefulness. We will learn what the holiday is about and how it's celebrated. Each child will create a menorah with parent or guardian help to take home. We will also cook or bake something delicious to enjoy. I am looking forward to learning and creating with you!

Please RSVP to Jillian Snyder at (909) 522-2043
