An Apple A Daycare NY, Inc ensures all providers, staff and substitute providers have been background checked and trained for appropriate hygienic care of infants, toddlers and school aged children, as required through OCFS. An Apple A Daycare NY, Inc's policy is to check for toilet needs every hour. However, children will be changed/taken to the bathroom immediately, as frequently as they need. An Apple A Daycare NY, Inc will apply diaper cream as needed, unless instructed by a parent. Children's hands will be washed after every change/use of toilet. An Apple A Daycare NY, Inc does not use anti-bacterial soaps or hand sanitizer.

I authorize An Apple A Daycare NY, Inc provider, staff and all substitute providers to change/assist my child. I have supplied the appropriate resources for my child (diapers, wipes, pull-ups, additional underwear/change of clothing, diaper creams, etc).
