

WALK AUTHORIZATION FORM

I/We, _____
(Print Parent(s)/Guardian(s) name(s))

grant permission for the staff of An Apple A Daycare Ny, Inc. to take

(Child/ren name(s))

on walks in the neighborhood. I/We understand that for children 2 and older, some walks may not include strollers/wagons, and that our child may walk the sidewalks. Children under 2 may be in a stroller, a wagon (if appropriate) or baby-worn (by Michele only).

These walks are typically less than 1/4 mile loop but may include an occasional foray to the nearest aerodrome entrance to watch the planes, or to Sylvan Elementary playground (when school is not in session). Children will have on sunscreen and weather appropriate clothing/headwear, and will bring their water cups on the walks.

**If the destination is more than 1/2 mile from the daycare location (ie: the beach, the firehouse, the farm, the horse farm, the Bayport Flower House, the train station, the parks on Railroad Ave or Middle), a separate field trip permission form will be provided with transportation information included, route information, and schedule.*
