

CATERING ON A MISSION

We are a social enterprise dedicated to creating and inspiring social change. We believe in equality for all, and everything we do is to help build socially and environmentally sustainable communities.

Our catering service aims to revolutionise traditional catering by fighting food waste, reducing carbon emissions, providing inclusive and accessible development opportunities, and providing plant based yumminess, which can be enjoyed by all!

"Food is not just fuel. It brings people together. It feeds the soul. It creates possibilities of change."

CUSTOMER REVIEWS

"You guys went above and beyond our expectations - everyone was helpful, friendly and professional. The food and drink was delicious and really varied. We loved that you sourced jam jars for us too! We are so happy we found you to cater and we would recommend you a thousand times over!"

- Wedding Catering -

"Serendipities is my first choice for catering in Dundee! They always offer an amazing range of tasty treats, savoury and sweet, that everyone always enjoys. Not only is their food delicious, filling, bursting with flavour - it's sustainable too! I'm not a very imaginative person when it comes to deciding what catering there should be, so I'm always so happy when we can have a chat about the type of event, number of people and the kind of food that would be most enjoyed. It takes the pressure off me! and their menu is always filled with incredible options for people who prefer to make their own choice. No matter the budget, the size of the event, they always put something incredible together. When I first mentioned the vegan catering at one event, it was met with a little bit of suspicion. But, not a drop was left!"

- Return customer -

"Amazing vegan catering! I was blown away by the quantity and quality of the food. It was all homemade and fresh. There were breakfast quiches, croissants, scones, frittatas, yogurts, granola pots and muffins, which they catered for our requirements. The food was delicious, particularly the quiches and granola (soooooo good!). Communication was excellent and the prices are very reasonable. If you are looking for catering in Dundee this is the place to go!"
