Equipment Hire

We are all about reducing waste as far as possible. One of the ways we do this is through our reusable equipment.

When buying a cake from us, you can borrow one of our cake boxes for a deposit.

We also have plates, cups, cutlery and cotton napkins available for use.

Our platters come in reusable containers, and we would love it if you could bring them back, helping to keep them in use. If they can no longer be used, we use them within our craft projects.
