

PI KAPPA PHI

Thank you for your consideration of the Pi Kappa Phi campaign. An investment in the future of the Gamma Lambda chapter will ensure continued success at Missouri University of Science & Technology and provide a legacy upon which to build an even greater brotherhood.

The Pledge Agreement is just as important as any funds you immediately donate to the cause. The pledged amounts show future cash flow to any bank we approach for a loan and to Pi Kapp National to show where we stand. Thank you for your contribution to the future of our house at 1704 Pine Street.
