6:00—8:00 PM	Transportation Advocates Group (TAG) Dinner <i>(By Invitation Only)</i>	(TBA)
8:00—10:00 PM	<i>“Welcome to Camp” Gathering</i>	Rooftop at Harborside Pool

Thursday, July 7

8:00—5:30 PM	REGISTRATION OPENS	Addison Foyer
9:00—10:30 AM	TEAMFL Focus Group The I-275 Howard Frankland Bridge Design-Build Project	Addison Ballroom

Come hear the professional team at BCC Engineering discuss the challenges of one of the nation’s most high-profile design-build projects--replacing the most traveled, high capacity 3-mile-long bridge over Tampa Bay (built in 1959). It has it all: sensitive environment, vessel collisions, unique soil conditions.

(Professional Development Credits Available)
